FINANCIAL
MATTERS

17/7. Annual Report – Cllr. Scarratt was not at the meeting but had this in hand for the Annual Parish Meeting.

Applications for Funding – The Parish Council had now received the Precept for 2017/18 and had allocated £3000 for funding. We had received three requests for funding – Request from Terri Hull for £1,900 for a Tattenhall Historical Interpretation Panel – Great War 1914-1918 to be located in the area adjacent to the War Memorial and War Horse ‘George’ on the Millfield site and in the context of the Centenary Anniversary of the Armistice 11th November 2018. It was proposed by Cllr. Spencer, seconded by Cllr/ Black that the request for £1,900 be funded for this project. All were in favour. The Tennis Club had requested funding towards the cost of repainting the courts and having the fencing replaced – the cost would be around £1000. After consideration it was proposed by Cllr. White, seconded by Cllr. Jones that the Parish Council would fund £900 for this project. All were in favour. The new Village Market had requested funding towards a Notice Board to advertise their wares and encourage customers. The cost would be in the region of £175. It was proposed by Cllr. Pritchard, seconded by Weaver that the Parish Council fund £175 towards the new Notice Board. All were in favour. **Resolved:** The Parish Council approve the three funding applications as above.

To continue SLCC Membership or to consider ChALC Membership

This was discussed at length – The SLCC Membership for 2017 is £121 and the Clerk can ask for information and advice on all Parish Council matters. Also they produce a bi-monthly Clerk Magazine which is very interesting. We joined SLCC in 2011. The ChALC membership is much higher it was £550.50 in 2010. They do local Training Sessions and other events for members, but also all Parish Councils are invited at a slightly higher cost. We also receive their monthly E-Bulletin. Cllrs. agreed to join the SLCC again for 2017 but to invite ChALC to come along to our Annual Parish Meeting to talk to us about the benefits of joining ChALC. It was proposed by Cllr. Haynes seconded by Cllr. Black that we join SLCC membership for 2017. This was agreed. Church Clock – Cllr. Blackhurst informed the meeting that the Church Clock is out of action. As The Parish Council maintains the Church Clock she had mentioned this at the Precept Meeting and an amount of £330 had been allocated for the repairs. The repairs are now going to be slightly higher than this and the Friends of the Church will pay the difference.

PLANNING

17/8. **Resolved:** The minutes of the Planning Meeting held on the 24th April 2017 were approved and signed as a correct record.

To approve additional comment to Planning Application below sent to Planning on Planning Application below:

17/01477/FUL - 7 Tattenhall Road, Tattenhall - Erection of garden fence (retrospective)

This fencing is not compliant with the Tattenhall Village Design Statement **LSCP 4 (Existing developments)**. **Resolved:** The additional comment sent to Planning on the above application be approved.

Planning Applications – To approve comments to be sent to Planning on the Planning Applications below.

17/01465/FUL - Four Seasons Tattenhall Road Tattenhall – Two Storey Extension – The proposed comments had been circulated to all Cllrs. It was proposed by Cllr. Jones, seconded by Cllr. White that the following comments be sent to Planning: 1. The site has been viewed from Tattenhall Road in the absence of the owner or agent. The application states that the materials will match the existing red brick walls, clay roof tiles and window frames. The proposal is compliant with Tattenhall Village Design Statement and Policy 2 of Tattenhall and District Neighbourhood Plan. 2. Although the extension on 2 floors is large, the footprint does not appear to be above 30% of the existing but precise figures have not been made available. The plan does not significantly encroach on the exist boundaries nor do there appear to be any overlooking issues. 3. The Parish Council have no objections to the application. All were in favour.

17/01591/FUL – The Lodge Chester Road Tattenhall – Proposed Outbuilding – The proposed comments had been circulated to all Cllrs. It was proposed by Cllr. Pritchard, seconded by Cllr. Black

that the following comments be sent to Planning: The Parish Council are disappointed with the lack of

detail on this Planning Application. The outbuilding is in the Tattenhall Conservation Area. Should the application be approved care must be taken to protect the Oak Tree and its roots - reference Policy 2 of the Tattenhall Neighbourhood Plan. All were in favour.

Resolved: The comments on the two Planning Applications above be sent to Planning **Neighbourhood Plan Review** – To be reviewed in 2019 – The review has to be undertaken every 5 years of the plan being ‘made’ which was 2014. Cllr. Weaver will keep us updated.

Central Gowy (South) Neighbourhood Plan Consultation – Will be reported on at the next Parish Council meeting.

Three Outstanding Planning Appeals – As mentioned in Open Forum above had received notification that the Secretary of State had dismissed all three of these Appeals. However, we must not be complacent as developers will keep on trying with further applications.

We had received a complaint with regard to the state of the village – footpaths, litter etc. It was suggested that as litter blows out of the open top litter bins when they get over full we could ask the manufacturers of the present bins if there is any type of lids we could put on these bins to stop this. Clerk to contact them.
