Dear Stephen

As you will be aware, Tattenhall Parish Councillors and members of the Neighbourhood Plan Steering Group were dismayed by the decision of the Strategic Planning Committee of CWaC, on 19th December, to approve the twin tracked planning application by Redrow Homes.

We feel that this approval has considerable implications for the Neighbourhood Planning process, not only in Tattenhall, but also throughout the country. Accordingly, we have written to the Secretary of State for Communities and Local Government to express our concerns, and we await his response and advice on the way forward.

As those who attended the meeting were also unhappy with the way in which the decision on the application was reached, the Parish Council has also written to the Monitoring Officer at CWaC to ask him to conduct an investigation.

So that you are kept fully informed of what is happening in Tattenhall, copies of these letters are enclosed. Should you wish to discuss these events with the Parish Council, we would be happy to meet with you.

Yours sincerely

Graham Spencer
