1. AIMS

The aim of this policy is to communicate the commitment of Tattenhall & District Parish Council (T&DPC), its Members and Officers to meeting the Public-Sector Equality Duty, which came into force on 5 April 2011. The Equality Duty applies to public bodies and others carrying out public functions. It supports good decision-making by ensuring public bodies consider how different people will be affected by their activities, helping them to develop policies, better represent their interests and provide services which are efficient and effective; accessible to all; and which meet different people's needs.

This Policy formally sets out T&DPC commitment to the promotion of equality of opportunity irrespective of:

- Gender, including gender reassignment
- Marital or civil partnership status
- Pregnancy, maternity or paternity
- Having or not having dependents
- Religious belief or political opinion
- Race [including colour, nationality, ethnic or national origins]
- Disability
- Sexual orientation
- Age

2. POLICY STATEMENT

2.1 It is T&DPC'S policy to provide equality of access, information, facilities and services and to meet its obligations as an employer irrespective of any of the above factors.

2.2 T&DPC is opposed to all forms of unlawful and unfair discrimination. All people and employees will be treated fairly and will not be discriminated against on any of the above grounds. All decisions on membership, selection for office, training or any other benefit will be made objectively and without unlawful discrimination, based on aptitude and ability.

2.3 T&DPC recognises that supporting Equality is of primary importance. This policy will help all those who are Council Members or work for the Council to develop sound and effective policies that impact on the village, community and surrounding areas.

2.4 T&DPC values the diversity of the local population. We want our services, facilities and resources to be accessible and useful to every parishioner regardless of gender, age, ethnic origin, religious belief, disability, marital status, sexual orientation or any other individual characteristic which may unfairly affect a person's opportunities in this regard.

2.5 T&DPC aims to create a culture that respects and values differences, that promotes dignity, equality and diversity. We aim to remove barriers, bias or discrimination that prevent individuals or groups from realising their potential and contributing fully to the community to develop a culture that positively values diversity.
