

### Allotment Rent Increase Proposal

- Gradually remove the 60+ discount.
- Add £1 to half plot, £2 full plot to reflect inflation.
- Reduce the 60+ discount from 50% to 40%
- Taking into account the one additional person receiving discount next year, income would be £313.60 compared to this year's £296.
- If we make no change the income will fall to £278 because of the extra person with a discount.
