## **APOLOGIES**

Cllr. White – family commitment.

The Chairman welcomed all to the meeting including new Councillors Louise Gibson, Cindy Parry and Matt Wilson, he also noted the presence of retired Councillors Spencer and Weaver and stated they would be very difficult to replace.

## **DECLARATION OF INTERESTS**

Councillor Chapman declared an interest as a member of the Community Land Trust board in line with the Code of Conduct she declared she would only speak on the matter during Public participation and would not vote.

## **PRESENTATION – COMMUNITY LAND TRUST PLANNING APPLICATION**

1) David Tilley of NWD Architects gave a presentation on CLT planning application which included the following points:

The CLT proposes to build three two storey properties on the larger of the two sites on Keysbrook, and one bungalow on the smaller site. It was felt this was a good scheme offering a varied mix of housing types.

The properties are designed to be easy to maintain in the future and allow for functional everyday living.

The CLT have held public drop in sessions which have attracted very positive comments about the principle and look of the properties and also had robust conversations with the CW&C Planners, they now feel they have a strong planning application to submit.

The CLT are looking for support from as many organisations in Tattenhall as possible including the Parish Council.

It was noted the scheme had been designed to comply with the Village Design Statement and Neighbourhood Plan.

## Minutes of Tattenhall & District Parish Council Meeting Barbour Institute, 13<sup>th</sup> May 2019

### Questions & Discussion (inc. public)

It was noted that the application is expected to be a detailed (FUL) application. It was confirmed that the allocation policy will be agreed by the CLT with advice from CW&C and is intended to give priority to local residents or those with a connection to Tattenhall and to younger people who are being forced out of the village due to a lack of affordable properties. It was asked what heating would be provided in the properties, it was hoped the properties would take advantage of sustainable technologies but that these needed to be balanced against the available budget to build the properties, it is important the properties are future proved. The appearance of the properties was welcomed and it was noted that the Parish Council should support future planning applications for more modern looking properties, it was noted each planning application needed to be judged in context with its location.

2) **RESOLVED 19/154** - that the Council submit the planning application on behalf of the CLT and cover the submission fees from Parish Council funds.

### **PUBLIC PARTICIPATION**

#### PCSO Jon Hurst

It was reported there had only been 4 incidences reported over the last month all of which were outside the village of Tattenhall. PC Gigg had taken part in two overnight operations with support from colleagues to tackle night-time rural crime. PCSO Hurst had undertaken a successful bike marking session in the village.

Since the last meeting 659 Operations Shield kits had been delivered with 141 left to delivered, it was hoped these would be delivered by mid-June.

It was reported a new inspector had been appointed to cover the area Inspector Emma Parry who was keen to attend meetings etc.

It was asked if PCSO Hurst and the Community Safety Wardens would approach dog walkers to ask if they have dog bags with them to support attempts to reduce dog fouling in the area.

#### Tattenhall Film Night

The Chairman read an invite to Councillors to attend the next Film Night on the 22<sup>nd</sup> May to see the equipment that had been purchased from the Council's grant in action.

#### Highways & Speeding

An update was requested on the location of 20mph signage by the war memorial, it was noted these signs are due to be erected, the Council had been told if they were still unhappy with the location Highways would review it.

The Parish Council was asked to maintain pressure on CW&C Highways to carry out road marking in the village.

It was asked what the Parish Council has hoped to achieve by requesting night-time speed checks on the A41. It was confirmed it had been hoped that this would reducing speeding and dangerous driving.

The Council was asked to consider requesting the A41 be reclassified as a trunk road, as the nature of traffic on the road had not changed and had possibly worsened since the road had been reclassified.

#### Bolesworth Estate

It was reported that work is taking place to prepare the Estate and its properties for the brand launch at the horse show.

It was noted that one-way systems would not be in place for the show or Carfest as locals had not followed the system.

## Minutes of Tattenhall & District Parish Council Meeting Barbour Institute, 13<sup>th</sup> May 2019

Also measures had been put in place to prevent the reoccurrence of serious problems suffered by a property during previous shows, this included moving the car parking area away from the property, security and increased fencing.

### Large Lorry Issues

It was suggested the Council should consider 'don't follow your satnav' signage in the future if increasing numbers of lorries use the narrow lanes around the village including Bolesworth Road.
