Letter to Organisations & Businesses  
Tattenhall

**Council Priorities**

At the last meeting of the Parish Council the Council began the process of looking at what its priorities should be moving forward and agreed that this discussion should include other organisations and businesses in Tattenhall.

As such I am writing to invite you to attend the next meeting of the Parish Council on Monday the 2<sup>nd</sup> December to take part in an open discussion to identify the Council's priorities and ways that these can be effectively delivered.

The Council meeting is the Billiards Room at the Barbour Institute and is scheduled to start at 7.30pm, the Council has a number of business items it must attend to and it is hoped the discussion on Council priorities will start at approximately 8.00pm.

The Council very much hopes that representatives from different organisations and businesses will attend this meeting and take an active role in both the setting and delivery of the priorities for Tattenhall.

Please can you confirm if you or a representative from your organisation is able to attend.

Attached is a copy of the current identified priorities.

Yours sincerely,

*Ann Wright*
