

Tattenhall & District Parish Council

Squirrel Trail

2019

With thanks to:

Mrs Kelsey who kindly took all the pictures and presented them to the Parish Council (originals on display in the library).

Ann Wright, Clerk to the Parish Council, who inspired and managed the project.

All the contributors whose imagination and hard work made the project such a great success enabling a significant gift to North West Air Ambulance

Gifford Lea for their contribution to the printing of the programme.

Gifford Lea
Inspired in Cheshire

Hearo

Doctor's Surgery

The patient Participation Group is the listening ear for patients.

Cyril

Ravensholme Lane

Representing Tattenhall Over 50s
although he's just a young 'un!

Castlefields

Tattenhall's beautiful prima
ballerina squirrel

Squinty

Greenlands

A cheeky caring fun squirrel with
a bright bushy tail

Not the Loch Ness Monster

Greenlands

A visitor from North of the border

All profits were donated to the
North West Air Ambulance

Your North West Air Ambulance charity takes advanced healthcare to scene; reaching, treating and transferring patients to definitive care as quickly as possible and working collaboratively with our partners to ensure they are transferred to the best treatment centre thus improving chances of survival and reducing the risk of long-term injury.

Just as many critically injured patients would not survive without the service your North West Air Ambulance Charity would not be here without you. The service is funded by the generosity of the public through donations, fundraising activity, lottery membership and through our network of retail outlets, who provide vital charitable funding to keep our service flying.
