

Minutes of Tattenhall & District Youth Council Meeting Virtual, 28th September 2021

PRESENT

Youth Councillors

Amelia Anna Beth Carys Frankie

Parish Councillors

Jonny Kershaw Lisa White

Clerk – Ann Wright

Chairman

Amelia agreed to chair the meeting.

Welcome

Parish Councillor Jonny Kershaw introduced himself and confirmed he'd been a councillor for over 18 years and lived in the centre of the village.

Apologies

None received.

Notes

The Council agreed the notes of the last meeting on the 13th July 2021.

Funding Arrangements

It was reported that the Parish Council had agreed a budget of up to £100 for the Council to purchase miscellaneous items, and that projects that cost more than £100 would need to go back to the Parish Council for discussion and approval.

Transition Request

The Council considered the request to speak at the Transition Engagement Day on the 11th October, they agreed they did not want to speak at the event but would consider attending the event. It was agreed the Clerk would obtain more details about the engagement day to circulate to the youth councillors.

Art Workshop

The Clerk reported that she had made contact with an artist¹ who could run a workshop to decorate the shelter and was going to forward the details of workshops including cost.

It was agreed to email the details to councillors for consideration in advance of the October meeting.

The Clerk reported she had applied for grant funding to run an environmental art workshop² possibly linked to the Spinney which the Youth Council might like to get involved with. It was suggested that this might be something which could be done in partnership with Transition Tattenhall.

Youth Club

It was noted that to date there had been 16 responses to the online youth club survey all of which supported the creation of youth club.

It was agreed that it would be a good idea to hold a number of pop-up youth clubs to see if young people were interested in attending and find out what they wanted the Youth Club to look like.

It was suggested that the Flacca would be a good location for a youth club due to the outside facilities.

It was agreed the first pop-up would be held on Friday evening and the second on a Monday.

New Membership

It was discussed that Youth Council needs new members to make it sustainable. It was agreed to include information in the next Parish News and to use the pop-up youth club sessions to attract new members.

It was also agreed to ask the Primary School and Bishop Heber to highlight the youth club survey and advertise for new members.
