3. SUMMARY OF EXPERIENCE

(Please give a brief account of your experience including career, public and voluntary work together with the nature of your current or most recent occupation)

I retired in 2013 and had spent most of my career in 3rd Party Logistics and the Automotive sector. My background lay in engineering drawing and after successfully completing a 4-year apprenticeship, I was inducted as a 'Freeman of the City of Coventry'.

My main thrust was in Marketing and Business Development (roles which I continue in today albeit it part-time and sporadic).

In 1996 I undertook and gained a self-funded MBA with a Marketing Major at Manchester Metropolitan University.

I was persuaded to consider joining a Parish Council in 2012 and have worked diligently to ensure that everything we do adds some value to our community and, in 2015, I was elected as Chair of the PC. I am also active as Vice Chair of ChALC.
