Gate K – Green Gate

All vehicles must use the A534 to access Bolesworth Hill Road. If using the A41 from the north or south, or the A534 from the west – vehicles will use the Broxton roundabout before heading eastbound on the A534 and taking the left turn into Bolesworth Hill Road.

Depending on traffic conditions, vehicles coming from the east may not be able to turn right into Bolesworth Hill Road, instead being directed to head to Broxton roundabout and U-turn. If this restriction is in place, there will be appropriate directional and restricted turn signage at this junction (likely to be in place on Thursday 24th & Friday 25th July).

This route will be signposted 'Artists' & 'Campervans' – with a sign at the Gate itself 'Main Stage Artists Only' & 'Event Control'
