

Minutes of Tattenhall & District Youth Council Meeting Virtual, 28th September 2020

PRESENT

Youth Councillors

Anna Amelia

Other

Louise Gibson

Parish Councillors

Lisa white

Clerk – Ann Wright

All were thanked for attending the meeting.

Welcome

The meeting welcomed Cllr Lisa White who will be the link councillor with Tattenhall & District Parish Council due to Louise stepping down from the Parish Council, however Louise will continue to help and be involved with the Youth Council.

Apologies

It was reported that Oliver had sadly resigned from the Council as he is moving out of Tattenhall.

Carys confirmed she could only attend for 30 minutes due to other commitments and that Beth would attend when possible.

Amelia had given her apologies due to other commitments and asked if it was possible to meet on a different evening in the future.

It was agreed due to the small number of Councillors who were attending and the limited time available to have an informal discussion on a number of topics.

Membership

It was noted that increasing the number of members was a priority for the Youth Council.

It was agreed to contact the Primary School and Bishop Heber High School to promote more people joining as well as the uniformed groups.

It was agreed to try and promote the Youth Council's Instagram page.

Youth Shelter Competition

It was noted there had been no entries to date for the youth shelter competition.

It was agreed to highlight this again with the Schools and uniformed groups.

It was noted if no entries come forward the Youth Council could look at organising a graffiti workshop to make the shelter more attractive to young people.

It was noted the Clerk would chase up the availability of logs for the shelter area and the hedge cutting.

Village Projects

The Clerk shared with the Councillors a project to develop the Spinney area into a Natura Park with a dipping pond etc.

It was noted if this project is taken forward by the Parish Council the Youth Council can promote this scheme via Instagram and take part in discussion about the scheme.

It was agreed that the Youth Council would like to be involved with promoting the creation of a MUGA (multi use games area) in Tattenhall. It was agreed a MUGA would be well used especially by people playing football.

Elf Trail

The Councillors agreed to create an Elf for the Christmas Elf Trail to promote the Youth Council. Anna agreed to email the Clerk information on using # effectively.

Ann Wright 29/09/2020

**The next scheduled YOUTH COUNCIL MEETING
is on Wednesday 21st October 2020, Time 5pm Virtual (Zoom) Meeting**
