

Tattenhall & District Transition Priorities

- Responses were received from 9 Councillors.
- Councillors completed the survey in a number of different ways however the following table has been created from the results.
- Projects are listed in priority order with activities within the Project areas also listed in priority.
- Admin has been coloured in as it is to be removed from the priority list as it must be undertaken regardless of its priority.
- However, the Youth Council has been given its own Project area as the was identified by a number of Councillors as being of a high priority.
